PARTNER WITH YOUTH CAMPAIGN

Did you know that we raised over $482,000 in 2017 for scholarships to help subsidize the cost of programs, memberships, and camperships to youth, families, and seniors in our community. Monthly membership dues are only used to cover costs associated with operating our facilities and offer services to members. Please consider making a gift to the YMCA to support those in need. Donations can easily be added to your monthly draft. If interested in supporting the Y, please see the front desk.

FINANCIAL ASSISTANCE

Financial assistance is available for those in need. We make every effort to ensure that no one is turned away due to an inability to pay. We are grateful to our generous donors whose contributions to the annual YMCA Partner With Youth Campaign make assistance possible. Applications for financial assistance are available at the front desk. Assistance is given based on need and available funding.
