

## Keeping Our YMCA Healthy

At the YMCA of Greater Flint, your health and well-being are of utmost importance. As information about COVID-19 continues to emerge we will do our best to provide you with the most up-to-date information about our facility.

Out of an abundance of prevention and precaution, we are closing both branches of the YMCA of Greater Flint on Sunday, **March 15 for ONE DAY ONLY.** This will allow our staff to deeply clean the facility and equipment. The facilities will open as usual on Monday, March 16 at 5 am. We ask that you help us keep our facility clean by washing your hands before and after your workout.

We know that together, we can beat this outbreak!
